

GRADE 12 · PHASE 2, UNIT S2: REAL CLIENT WORK

Delivery & Installation: Getting Work Into the Building

Lesson 20 of 43

DO NOW

What could go wrong between a design being 'finished' and it actually being useful to the person who requested it?

TODAY'S PLAN

Do Now

5 min, above

Coordinate: confirm with the client exactly...

Deliver/install: physically install or hand off...

Confirm: check in with the client...

TODAY'S VOCABULARY

Installation

Delivery Confirmation

EXIT TICKET

Did the client's original need actually get met? How do you know?
